

Tradecraft Building Products Ltd operates as a Sales, Marketing and Distribution company on an All-Ireland basis working with our distribution partners on a continual Brand and Product improvement programme in order to keep pace with change that is now the norm within the construction sector in Ireland.

### Our Showroom and Training Centre

### Our Brands:

We are Sole and Exclusive Distributors in Ireland for some of the most respected Brands operating within the Construction Industry. These Partners deliver excellence in terms of Product Quality, Technical and After Sales support which is a compulsory requirement for all Building Materials being used today. Learn more about our extensive range of Brands and Products on our [Brands](#) page.

### Our Team:

We believe we work extremely hard to ensure that our customers receive a Fast, Efficient and Helpful response to any question that they may have and to that end our Management, Administrative and Sales Teams are at your service at all times. Please feel free to [Contact](#) us and we look forward to helping you in any way that we can.

### Our Support:

Our business operates from a modern Warehouse, Office and Distribution facility based in Tougher Business Park, Naas, Co. Kildare which also incorporates a Showroom and Technical Training Centre designed to help and assist everyone from Merchants, Contractors, Architects and End Users alike.

Where appropriate we are fully committed to establishing the relevant certification with both The Irish Agreement Board (I.A.B) as well as the British Board of Agreement (B.B.A) in order to ensure that all relevant product supplied is in full compliance with the latest Building Regulations in both Southern and Northern Ireland.
